

Senior Project Skills Bank

In order to enhance the quality of our seniors' projects, we are soliciting our school community and neighborhood to create a bank of expertise and experience. Please let us know what you are knowledgeable about and interested in, and whether or not you'd be willing to work with a Senior Project Student as a consultant or resource person. **Please be creative, dig deep and either send me your response online or copy and leave your completed questionnaire in my mailbox** as soon as possible! We're hoping to see some terrific projects. Many thanks !!
