# Scheduling

Students can refer to the **Course Request Form** to see **all courses offered at Wakefield.**

This was done in February. Students made their course selections via the yellow CRF form and/or in Naviance For English, math, science, history, and world language courses.

- Counselors rely on:
- Student’s grades
  - Student’s input/commitment
  - Teacher recommendation
  - Parent input

Consult the 2024-2025 APS Program of Studies for questions about...

- \*Course offerings
- Course descriptions
- Prerequisites

# Dual Enrollment

- Credits can transfer to four-year colleges.
- Taking NOVA courses can save students time and money.
- Wakefield currently offers approximately 8 DE courses. Many more are offered at the Arlington Career Center.

Dual enrollment can provide students an opportunity to enhance their education by enrolling early in college courses.

The screenshot shows the Arlington Public Schools Program of Studies website. The left sidebar contains navigation links: Catalog Home, Middle School Courses, High School Courses, and Sequence of Study. The main content area is titled "English 11, (College Composition) Dual Enrollment" and includes a breadcrumb trail: Home → English Language Arts → English 11, (College Composition) Dual Enrollment. Below the title, course details are listed: Full Year (91150W), Level High School, Content Area English Language Arts, Credits 1.0, Grade(s) 11, Quality Points 1.0, and Designation Dual Enrollment. A paragraph describes the course content, focusing on critical thinking and academic writing. A "Schools" section lists participating schools: Arlington Community High School, Wakefield High School, Washington-Liberty High School, Yorktown High School, and Langston/New Directions. A red arrow points to this list. Below the schools list are sections for "Prerequisites" (high academic achievement, teacher/counselor recommendation, NVCC entrance requirements) and "Additional Credit" (dual enrollment at Northern Virginia Community College ENG 111 / ENG 112).

## English 11, (College Composition) Dual Enrollment

Full Year (91150W) Level High School Content Area English Language Arts Credits 1.0  
Grade(s) 11 Quality Points 1.0 Designation Dual Enrollment

This course will address the Virginia Standards of Learning for Grade 11 English and introduce students to critical thinking and the fundamentals of academic writing. Through the writing process, students will refine topics; develop and support ideas; investigate, evaluate, and incorporate appropriate resources; edit for effective style and usage; and determine appropriate approaches for a variety of contexts, audiences, and purposes. Writing activities will include exposition and argumentation with at least one researched essay that requires students to locate, evaluate, integrate, and document sources and effectively edit for style and usage.

### Schools

Arlington Community High School  
Wakefield High School  
Washington-Liberty High School  
Yorktown High School  
Langston/New Directions

### Prerequisites

High academic achievement in previous English classes. Teacher/counselor recommendation. The NVCC entrance requirements must be met before registering.

### Additional Credit

This course may be dual enrolled at Northern Virginia Community College ENG 111 / ENG 112. The NOVA entrance requirements must be met before registering. Please consult with your school counselor for more details.

# AP Advanced Placement

**Students enrolled in Advanced Placement courses must take the associated exams in May. By earning passing scores on these exams, students may obtain college credits (depends on the college/university).**

## World History: Modern, AP

Full Year (32400)    Level: High School    Content Area: Social Studies    Credits: 1.0  
Grade(s): 9, 10, 11, 12    Quality Points: 1.0    Designation: AP

This course is part of the Advanced Placement Program of the College Entrance Examination Board that makes demands on students equivalent to those of an introductory college course. In AP World History: Modern, students investigate significant events, individuals, developments, and processes from 1200 to the present. Students develop and use the same skills, practices, and methods employed by historians: analyzing primary and secondary sources; developing historical arguments; making historical connections; and utilizing reasoning about comparison, causation, and continuity and change over time. The course provides six themes that students explore throughout the course in order to make connections among historical developments in different times and places: humans and the environment, cultural developments and interactions, governance, economic systems, social interactions and organization, and technology and innovation. The Advanced Placement syllabus gives a complete course description.

### Schools

Arlington Community High School  
Wakefield High School  
Washington-Liberty High School  
Yorktown High School  
Langston/New Directions

### Prerequisites

Teacher recommendation; "B" or better in previous social studies course

### Notes

Students are required to take the AP exam associated with this course. Students not taking the exam will not earn the additional quality point. (22-400) \* Yorktown High School offers this course in Grades 10-12 only.

# Communication

# ParentSquare

## APS is using ParentSquare!

What's the difference between ParentVUE and ParentSquare?

Use ParentVUE to access your student information and academic record:

- Update parent and emergency contact information through the "Online-Back-to-School Packet"
- View your bus stop assignments
- Report absences and view student attendance
- View class schedules, grades and report cards

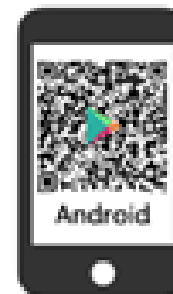

Use ParentSquare for all communications:

- Receive messages from APS (announcements, weather alerts, etc.) in your preferred language via email, text and mobile app
- Send and receive texts from your teacher(s) with automated translation
- Receive attendance notifications and sign permission slips
- Set preferences to reduce email frequency

### STEP 1: Update ParentVUE

At the start of each school year, families are required to complete the Online Back-to-School Packet.

Complete the packet via ParentVUE at [vue.apsva.us](http://vue.apsva.us) or scan the QR codes to download the apps on your phone.

While completing the online packet, families will review and authorize the following important policies and opt-in/out releases:

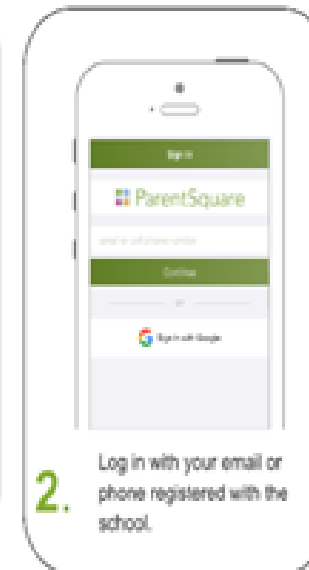

- ☐ Update emergency contact information
- ☐ Review & acknowledge the APS Handbook
- ☐ Student Directory information
- ☐ Media Participation
- ☐ PTA Student Directory

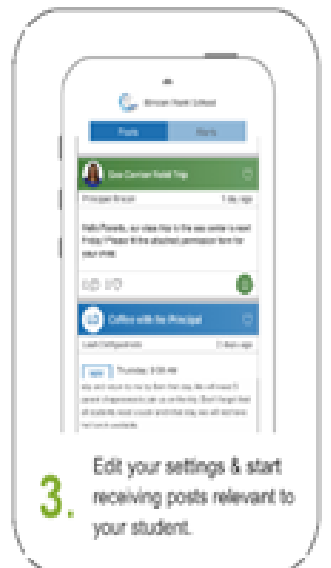

### Step 2: Activate ParentSquare

1. Download the free iOS or Android mobile app, or log on to [parentsquare.com/signin](http://parentsquare.com/signin)

2. Log in with your email or phone registered with the school.

3. Edit your settings & start receiving posts relevant to your student.

### Step 3: Need help?

"I entered my phone number and email and can't register."

Verify and update the phone number and email that your school has on file for you.

## Canvas

Canvas is the Learning Management System used by teachers and students in the classroom.

Parents may create a Canvas Observer Account which allows them on a limited basis to see what is going on in their students' courses. This is optional.

*Secondary parents must continue to access ParentVUE to see official grades for all assignments and grade totals\**

In Canvas, parents and guardians function as **Observers**. This means you have limited permissions that allow you to see what is going on in a course without participating in the course or viewing the work or interactions of students for whom you are not the guardian.

Parent observers can view their student's courses in Canvas after the teacher has published the course. Observers cannot submit work on behalf of the students they observe.

Parents may create a Canvas Parent Observer account and access Canvas via a web browser or the Parent app. It is not required for parents to create a Canvas account. However, with an account, you are 'co-enrolled' in a course as an Observer and can monitor your students' progress.

The district recommends using the web browser to log in as a Parent Observer because it provides the best experience and the most functionality for a parent.
