

# APS WINTER WEATHER PROCEDURES

## How Decisions Are Made

We consider:

- Safety of students, staff and families
- Temperature, wind chill, and snow/ice accumulation
- Safe bus operations and driver safety

### 1. **Forecast**

The National Weather Service forecasts inclement weather.

### 2. **Coordination**

Schools and County coordinate response.

### 3. **Evening Decision**

Announced by 6 p.m. if forecast will affect morning bus schedule.

### 4. **4:30 a.m. Review**

Forecast and updates from the National Weather Service are reviewed.

### 5. **Coordination**

Schools and County coordinate response.

### 6. **Morning Decision**

Update or new decision, if any, announced by 5 a.m.

## When snow/ice starts during school hours

1. When snow or ice starts to fall or is forecasted to accumulate:
  - a. **IF** accumulation is expected to affect afternoon bus schedules  
**THEN** Final decision for dismissal is made by 11:30 a.m. and communicated via APS School Talk.
  - b. **IF** no accumulation is expected in time for afternoon bus schedules  
**THEN** School ends on time. Evening cancellations, if warranted, are announced by 6 p.m. via APS School Talk.
